

## MAINTENANCE PROGRAMS

You have made a big investment in your sign. It projects your image to all who see it. But if it is not kept up, the image it projects may be negative. We can optimize your sign investment by keeping it 100% lit, clean, and painted. And the cost is very reasonable. Whether by maintenance agreement or on-call service, We will keep your sign at it's best.

Call your Jones Sign representative to discuss the many Maintenance Programs and options available.
